

SOLIDWORKS PRODUCT MATRIX

2018	SOLIDWORKS Premium	SOLIDWORKS Professional	SOLIDWORKS Standard
Part and Assembly Modeling			
2D Drawings			
Design Reuse and Automation			
Animation and Visualization			
Interference Check			
Collaborate and Share CAD Data			
Advanced CAD File Import			
Basic Analysis Tools			
Productivity Tools			
SOLIDWORKS CAM Standard			
Design for Manufacturing			
SOLIDWORKS Visualize Standard			
CAD Libraries			
Automatic Task Scheduling and Batch Processing			
Design for Cost & Cost Estimation			
CircuitWorks			
PhotoView 360			
CAD Standards Checking			
TolAnalyst			
SOLIDWORKS File Management			
ScanTo3D			
eDrawings Professional			
Motion Analysis			
Structural Part and Assembly Analysis			
SOLIDWORKS Sustainability			
Routing of Pipes and Tubes			
Routing of Electrical Cabling and Wiring Harnesses			
Routing of Rectangular and Other Sections			
Advanced Surface Flattening			
Assembly Level Cost Roll Up
